PRECISION IN PHARMACEUTICAL SUPPLY

VETERANS EMPOWERING RESEARCHERS,
SERVING PATIENTS, BUILDING COMMUNITIES
AND DRIVING SCIENCE

VETERANS FOR PHARMA

ABOUT

Veterans For Pharma (VFP) is a service-disabled veteran-owned, minority-led enterprise that brings military precision to the pharmaceutical supply chain. Founded by Anthony Theriault, a U.S. Coast Guard veteran, and Sunny Lakhani, an experienced entrepreneur, VFP combines rigorous military discipline with extensive industry expertise.

VFP specializes in supplying premium laboratory equipment and consumables to the pharmaceutical, life sciences, and healthcare sectors. With over four decades of combined experience in global supply chain management and international logistics, we offer unparalleled accuracy and reliability in every aspect of our operations.

Our extensive inventory includes access to over 16,000 products, ensuring we can meet a wide range of industry needs. Leveraging our network of 20 partner distribution centers across the United States, VFP provides efficient and timely delivery, no matter where our clients are located.

INNOVATION AND ADAPTABILITY

At Veterans For Pharma, innovation and adaptability are at the core of our operations. We constantly stay ahead of industry trends, ensuring our clients benefit from the latest advancements in pharmaceutical and healthcare supply chain management. By incorporating cutting-edge technologies, we optimize efficiency, accuracy, and transparency throughout the supply process. Our flexible approach allows us to tailor solutions that evolve with our clients' changing needs, providing agile responses to market shifts and regulatory updates. This commitment to innovation not only enhances our service delivery but also empowers our clients to maintain a competitive edge in their rapidly advancing industries.

COMMODITY INTELLIGENCE

VFP provides a cutting-edge Commodity Intelligence Service, providing our clients with invaluable primary and secondary market insights in the healthcare and pharmaceutical sectors. This service delivers comprehensive analysis of medical care commodities, including medicinal drugs and equipment, as well as medical care services and cleaning products. Our expert team monitors market trends, price fluctuations, and regulatory changes, offering actionable intelligence to optimize supply chain strategies. With monthly detailed reports and quarterly executive summaries, clients gain a competitive edge through data-driven decision-making.

SUSTAINABILITY & CORPORATE SOCIAL RESPONSIBILITY

S

Issue: FTL truck emits about 1.6-1.8 kg of CO₂ per mile.
FTL truck's emissions can range from 0.3-0.9 kg of CO₂ per mile

Goal: White Glove EV Delivery supporting 60-70% reduce in CO₂ emissions

CSR

Issue: In 2024 – 32,882 veterans are experiencing homelessness.

1 in 3 Veterans reported difficulty readjusting to civilian life.
